

A Simple Homeschool Reset

YOU DON'T NEED
MORE - YOU NEED
WHAT WORKS

*Simple, Low-prep Tools to
Support Autistic Learners at
Home*

LET'S START SIMPLE

If you've ever sat on the couch...scrolling, overwhelmed, unsure where to start...

This is for you.

simplify your homeschool

Support your child

Build Independence

YOUR DAILY FLOW

First

Then

Next

Last

ICAN DO THIS

Morning	Afternoon
<input type="checkbox"/> Get Dressed	<input type="checkbox"/> Learning
<input type="checkbox"/> Eat Breakfast	<input type="checkbox"/> Clean up
<input type="checkbox"/> Brush Teeth	<input type="checkbox"/> Eat Lunch
<input type="checkbox"/>	<input type="checkbox"/>
<input type="checkbox"/>	<input type="checkbox"/>

Make Learning Feel Like Play

[Input] → [Machine] → [Output]

**We built our function machine using a chair and a small table :
a true machine made it more exciting**

Calm Comes First

I feel:

I need:

Support the Struggle

1. Get PLate

Mentality

2. Get Bread

Pain Points

3. Spread Peanut Butter

How would they hear about your company?

4. Add Jelly

How do they think your product/service solves their problems?

5. Put togethert

What might make them hesitant to use your product/service?

This Counts as School

Cooking.

Cleaning

Shopping

Helping

YOU'RE DOING BETTER THAN YOU THINK

Connection > Perfection

Progress > Pressure
